

## LoProfile™ Electric-Hydraulic Scissor Lift Tables

- Extremely low platform lowered heights, allowing wheeled cart and pallet jack access
- Offers heavy-duty lifting power and convenient low-profile functionality
- Heavy-duty construction and captured scissor rollers for enhanced stability
- Full perimeter, electric toe guard ensures handler safety
- Platform movement controlled by hand-held push button control system
- Reduce worker strain by positioning materials at a comfortable operating height
- Voltage: 115 V
- Frame Material: Steel

## MobiLeveler® Mobile Self-Levelling Work Tables

- Self-levelling platform for improved ergonomics
- High-quality casters with locking brake for smooth transport and easy mobility
- Easily-adjustable load capacities
- Heavy-duty, scissor-locking pin for maintenance safety
- Equipped with gauged weight selector knob to adjust spring resistance
- Frame Material: Steel
