**NEW
DEVICE HOLDER!**

**Bring Your Mobile
Technology on the
Job With You!**

Adjustable commercial grade unit holder locks in a variety of devices and tablets.* Flexible gooseneck mount allows for ergonomic positioning of device while in use.

Integrate electronic devices for on-the-go connectivity.

Device holder shown mounted on a Rubbermaid 9T75 Cart.

Replace the old worn out hood on your Rubbermaid High Security Cleaning Cart with a new one that includes a lockable and ergonomically adjustable device holder. Designed to hold a variety of devices and tablets, the addition of this upgraded, lockable hood will:

- ✓ Enable integration of electronic devices for on-the-go connectivity
- ✓ Contribute to increased customer satisfaction by improving equipment and facility appearance
- ✓ Help ensure compliance with regulations including Joint Commission Environment of Care Standard 3.10.3
