

## Sure-Grip® EX Specialty Cabinets

STORE SMALLER QUANTITIES NEARBY!

When storing smaller quantities of flammable liquids at a work station or adding to existing storage capacities, specialty cabinets make it possible to store flammables safely even when available space is at a minimum. These cabinets offer U-Loc™ handles and come with a double key set or accept an optional padlock for greater security. Chemical resistant powder coat paint resists corrosion for years of service. They also have Haz-Alert™ reflective warning labels to offer visibility under dark conditions. Meet NFPA and OSHA regulations.
