Rigid-Lock QuickBerm®

- Safe, drive-in spill containment for drums, IBC totes, and tanks
- Single-piece construction with patented Rigid-Lock wall support system integral to berm provides unobstructed work space
- Quick and easy set up, no assembly required
- Durable modified PVC coated fabric withstands long-term UV exposure
- Withstands a broad range of chemicals including petroleum, oils, grease, and most acids
- Walls include a 1" fray-resistant finished hem along the top rim for added wall strength and integrity
- Each support includes a black high-strength engineered nylon hub with integrated hole for anchoring under high wind conditions (anchors not included)
- Portable design folds down quickly for storage and transport
- Helps comply with EPA for containment and spill preventions (SPCC)
