

FliPak®

- Reusable, returnable, attached-lid containers are ideal for use in wholesale product distribution and as picking containers
- Hinged covers with tight interlocking fit provide maximum security and protection

- Stack with lids closed and nest with lids open for optimum use of space in trucks, trailers or on pallets
- Load capacity per container is a maximum of 70-75 lbs.
- Bottom container will support 250 to 300 lbs. when stacked (Please inquire for exact load capacities)

FliPak® Polyethylene Plastic (PE) Distribution Containers

High density polyethylene (HDPE) construction offers maximum product protection from moisture, impact and chemicals
